

Algorithm Studio

Write it. Run it. Understand it.

The executable A

A letterform built from structure, indentation and forward motion

Stable rails

The two bold diagonals form a dependable academic instrument.

Indented execution path

A single cyan route steps inward, turns, and exits as Run.

Small-size discipline

No fine lines, dependent text, effects, or decorative detail.

Logo system

Primary, compact and standalone arrangements

Horizontal

Default for product chrome, documentation and attribution.

Compact

Use where width is constrained but the name must remain visible.

Color and typography

Restrained, accessible and implementation-ready

Application icon

One silhouette from 16 to 1024 pixels

360 px

180 px

96 px

48 px

32 px

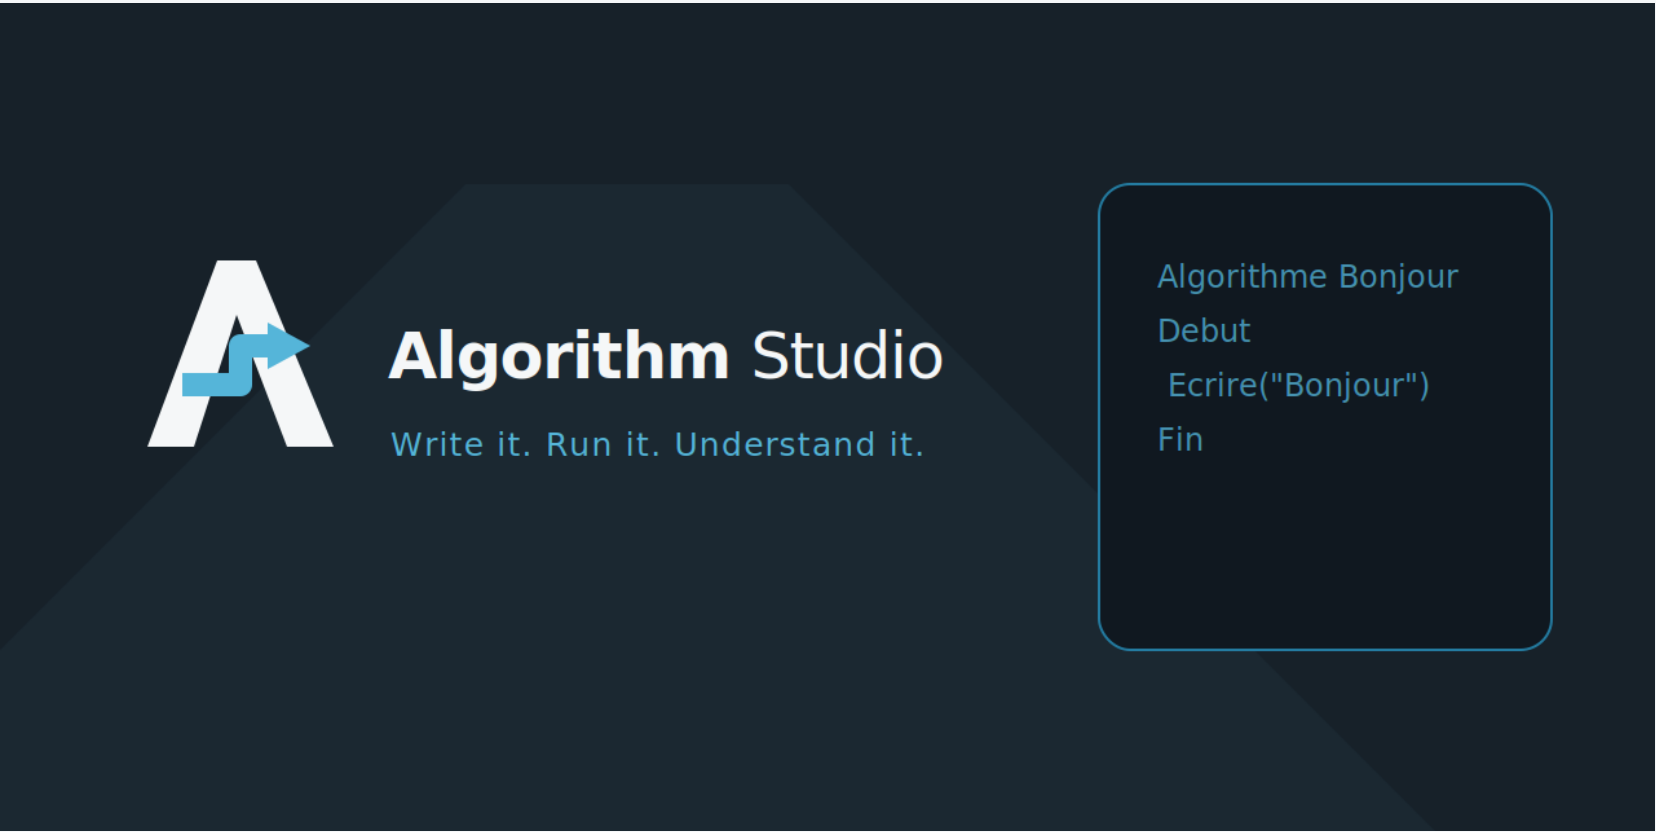

16 px

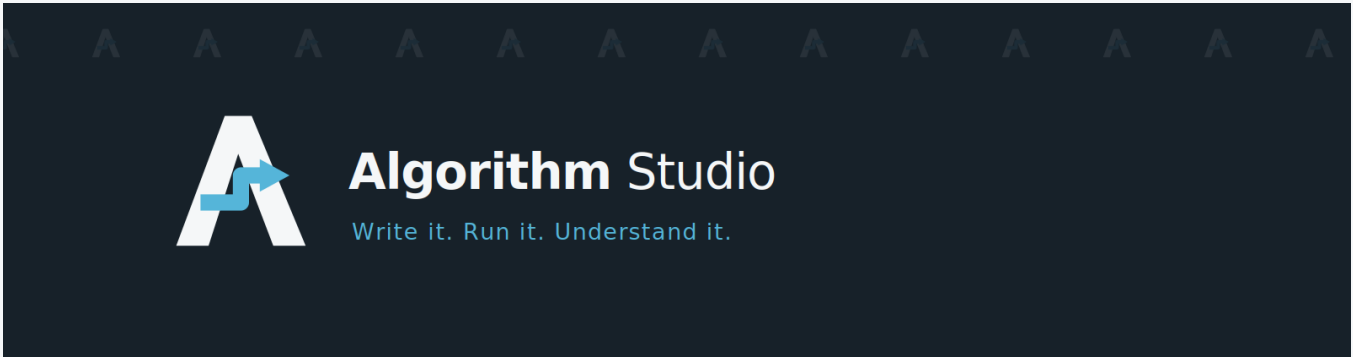

75% safe area • centered optical weight • flat vector construction • platform-neutral corners

Core applications

Production artwork, not decorative mockups

SOCIAL PREVIEW / 1280 × 640

README HEADER / 1600 × 420

INSTALLER ARTWORK / 1200 × 800

Usage rules

Protect recognition, contrast and calm

DO

- Keep $\frac{1}{4}$ symbol-width clear space.
- Use approved light/dark or monochrome versions.
- Keep the mark upright, flat and high contrast.

Clear space = $\frac{1}{4}$ symbol width on every side

DON'T

- Stretch, rotate, outline or add shadows.
- Change only one brand color or use a gradient.
- Place on noise or below the minimum size.
